# What is an apprenticeship?

Apprenticeships combine practical training in a job with study.  
As an apprentice you'll:

- be an employee earning a wage and getting holiday pay
- work alongside experienced staff
- gain job-specific skills
- get time for training and study related to your role (at least 20% of your normal working hours)

# Who can start an apprenticeship?

To start an apprenticeship, you'll need to be:

- 16 or over
- living in England
- not in full-time education

We can answer any questions you have, so you're confident that an apprenticeship is the right pathway to your personal and career goals.
